## OBJECTIVE

Being so much obsessed with Software Quality Assurance and Testing, I have been spending my invaluable times completely by learning usage of different testing tools, techniques, SDLC, STLC, Database Queries, and conventional documentations for software testing. I want to continue testing with all sorts of application platforms so that I can utilize my potentials to the fullest.

I may start as an inferior, but my motive and objective is to reach the highest amongst QA through my intensive biasness with the company I am working with. To be straight forward, I want to establish my career fully with QA from bottom to the sky.

## EDUCATION

**Bachelor of Computer Science | American International University- Bangladesh.**
2014 – 2017(September)
Related coursework: Software Quality Assurance, Software Project Development, Software Requirements Engineering, Business Communication, Operating System. OOP Java.

CGPA: 3.80

**Higher Secondary Certification | Notre Dame College, Dhaka**
Passed in 2011
GPA 5.00

**Secondary School Certificate | Rajuk Uttara Model College, Dhaka**
Passed in 2009

## ACHIEVEMENTS

I have achieved Dean's Award in 2017 for my academic excellence from AIUB. I hope to attain Cum Laude by the end of my graduation.

I never missed a single class during my high school and college life. This proves my seriousness and sincerity towards my passion or profession. I achieved 100% attendance certificate from Notre Dame College, which is rare.

*Ongoing real life training under Leads Software Ltd. on Selenium automation certification course.*

I am so far eligible to obtain *Cum Laude* by the end of my graduation program. I have been offered for a 2-weeks long overseas studentship program from AIUB to Thailand-Malaysia.

## OTHER SKILLS

- A very good team player
- Can quickly learn new technology or tools
- Management experience from club level experience (AIUB computer club and Notre Dame Science club)
- Very fast in typing (60+ WPM)
- Building websites with adobe automated tools like Adobe muse, XD.

- Excellent Fluency in English both oral and written
- Hardworking and sincere
- Leadership skills acquired from military behavior
- Prototyping and wire framing applications.

## PERSONAL

Father's Name: Md. Abul Bashar Mizi

Mother's Name: Roushon Ara Begum

Nationality: Bangladeshi

Religion: Islam

DOB: 05 July 1994

## EXPERIENCE

### Course Projects | AIUB

I performed all the regular projects that a student needs to perform during his studentship in the university. That includes Java project, C++ project, RDBMS project and SQA project.

### Writer | UvoCorp

I used to write as a freelancer as writing is my hobby. This is a UK based freelance writing website and every writer has to go through formal recruitment process to get job in here. I have written technical, business, and academic letters and papers for above 6 months.
